HomeServices Relocation Expands Business Development Team
Marian Padgett to lead Business Development for HomeServices Relocation

MINNEAPOLIS (January 6, 2016) - HomeServices Relocation, a division of HomeServices of America, a Berkshire Hathaway affiliate, is in the process of expanding its Business Development team. Leading this initiative is industry veteran Marian Padgett who has recently joined the company as National Director of Business Development and brings nearly two decades of relocation experience to the organization.

Padgett began her career with Berkshire Hathaway HomeServices in 1996 marketing directly to clients. Over the years, she advanced to positions of more responsibility ultimately serving as branch manager and broker-in-charge of the Charlotte offices. She has extensive knowledge of the real estate and relocation business throughout all levels of the industry which has given her a unique perspective when serving clients. In her past role as Director of Relocation and Business Development with Berkshire Hathaway HomeServices Carolinas, Yost & Little, York Simpson Underwood Realty, she was responsible for managing all corporate relocation services.

Padgett holds her Certified Relocation Professional (CRP®) and Global Mobility Specialist (GMS) designations from Worldwide ERC®. She has also earned the new Global Destination Specialist designation from the Relocation Directors Council. Padgett is a member of the Relocation Directors Council and the North Carolina Economic Development Association. She is a licensed real estate broker in North Carolina and South Carolina, and is a member of the Charlotte Regional Realtor® Association. Padgett also serves on the Board of Directors for the Charlotte Metro Area Relocation Council.

“Marian is an industry expert and a highly respected market leader who has continually kept abreast of changing trends within the field of mobility and relocation.” said Steven John, President and CEO, HomeServices Relocation. “The breadth and depth of Marian’s experience combined with her emphasis on customer satisfaction complements the philosophy within our organization that clients and transferees should be treated with integrity and care. Marian will be a great addition to our existing team of professionals at HomeServices Relocation and will strongly enhance our commitment to serving our clients.”

“At the beginning of my relocation career, I had the opportunity to work directly with clients and transferees where I learned to listen and understand what was important to them.” stated Padgett. “I recognized early on that each transferee’s needs are unique and always felt tremendous satisfaction when the transferee and family successfully settled in their new location. I am happy to be part of the HomeServices Relocation team where my passion for client satisfaction is recognized and valued. I look forward to expanding the business development team and growing our client base.”

Marian will report directly to Steven John.
