

Covid-19 Relocation Guidelines

Recommended real estate practices in a Covid-19 environment

What you should know

The CDC urges individuals to take these preventative measures to reduce the risk of contracting and spreading Coronavirus

- Wash your hands frequently with soap and water for at least 20 seconds. If soap and water aren't available, use a hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Practice social distancing by staying out of crowded places, avoiding group gatherings, and maintaining distance (approximately 6 feet) from others when possible.
- Avoid close contact with anyone who is sick.

- Stay home if you have a fever, cough, shortness of breath or any other cold or flu-like symptom.
- Clean and disinfect frequently touched objects and surfaces.
- Cover your mouth and nose with a tissue when you cough or sneeze, or cough or sneeze into your sleeve.
